

Echo Red Armor Blade Cleaner and Lubricant 12 Fl.oz. Bottle

REC4550012

Details

ECHO Red Armor Blade Cleaner & Lubricant is a bio-based universal blade solution for professional users. Our exclusive formula contains tacky lubricants to dissolve resins and sap that accumulate along the blade which hinder performance to allow the blades to keep moving smoothly. Using Red Armor Blade Cleaner & Lubricant daily helps to reduce blade drag and inhibits corrosion while promoting plant health after trimming. It's bio-based formula means there are no harmful chemicals which can burn or brown plant life, leaving you a well manicured outdoor space. By using Red Armor Blade Cleaner & Lubricant you help to reduce repair costs and downtime because your equipment is using best-in-class solutions to keep it clean and protected. Move to a standard where Performance Above All, will take your equipment performance to new heights. 12 fl.oz. bottle.

- Formulation with tacky lubricants to dissolve resin and sap and aid in rust removal
- Bio-based formula promoting post-trimming plant health
- Contains no Volatile Organic Compounds making it environmentally friendly
- Compatible with all types of blades including pruners, shears, axes, hatchets, hedge trimmers, circular saws, chain saws
- 12 fl. oz. Bottle
