

Corona Duallink ComfortGEL Bypass Pruner - 3/4in

Details

The DualLINK compound action design adds leverage for additional cutting power without additional effort. Soft ComfortGEL grips on ergonomically-shaped full-steel core handles provide less hand fatigue. Specially coated non-stick high-carbon steel blades with non-stick coating provide smooth cutting performance. A built-in side lock can be operated with one hand. Cuts up to 3/4" branches and stems.

- DualLINK with ComfortGEL Grip
- Specially Coated Non-Stick Blades
- DualLINK pruners boost cutting power and reduce effort with a dual compound lever design for ease-of-cut
- Ergonomic Handles with ComfortGEL Grips
- Cuts Up to 3/4 inch Branches and Stems
