

CTEK Multi Us 7002 Battery Charger

RCTK56-353

Details

The MULTI US 7002 is the ideal battery charger for your caravan, car and boat. The battery charger is well suited for all-year use. Thanks to its SUPPLY mode the battery charger provides power even without a battery. The SUPPLY mode is indispensable when changing the battery as you avoid losing complicated program settings. Perfect for vintage car, boats with one battery, boats with start & service battery, boats with start & service bank, scooter, motorcycle, Quad/ATV, lawnmower, caravan, and tractor. Includes two interchangeable connection leads, one with clamps, and one with eyelet terminals.

- 8-step, fully automatic charger
- Desulfation function to extend life
- Made for all weather conditions and situations
- Compatible with other electronic equipment
- Designed for safety
- Unique SUPPLY and RECOND mode
