

# Spanner Wrench - 1/2 Ips

RG0705

## Details

Spanner wrenches are useful in repairing leaky pipes. Smaller and lighter than pipe wrenches, they allow flexibility to work in hard-to-reach areas plus enough turning force to open pipe connections that have been untouched for many years.

## Specifications

Manufacturer

Flo Control

## O.J. Company

294 Rang St-Paul Sherrington, J0L 2N0
