

The Waterbox - Green

RG522G

Details

Designed to hide a faucet in a convenient location, this heavy-duty poly box, 5" W x 22" L x 6" D is recessed at ground level. When the lid is opened, a standard faucet attached to the lid appears standing 12" above ground. With the automatic lock-in-place lid, the faucet is ready to water. To hide the faucet when not in use, simply close the lid. Requires 3/4" supply line on each side of the box. Mow-over design. Green cover.
