

Rain Bird Bpe Electric Valve 24VAC Scrubber - 3" NPT RGB38013

Details

Rain Bird's 3" BPES brass irrigation valves are built tough to offer long life and efficient, trouble-free performance under harsh conditions. Featuring a unique combination construction of brass body and glass-filled nylon bonnet, these valves are designed to withstand extreme pressure surges, effluent water and clogging debris. For additional protection, the BPES is equipped with a patented scrubber mechanism to actively fight dirt and particles.
