

Drag Lite Rubber Drag Mat - 6' x 2'

R12035

Details

This unique drag mat is made of industrial grade recycled rubber with a reversible blade to scarify and plane. The heavy-duty steel lead bar is designed with one side serrated and one side smooth to break up hard-packed surfaces. Then groom and smooth to a "ready to play" condition. Will not rust or kink. Includes scarifier bar with 10 feet of heavy-duty pull chain with cushioned hand grip. 18 month warranty.
