

Lock Shield Bracket - Lsb Clam Kit

RGSE1083

Details

LockShield Brackets offer extra protection against theft by attaching to the enclosures and are designed to ward off bolt cutters. For use with new GuardShack enclosures or retro-fitted for previously purchased GuardShacks. Available in powder coated Forest Green and Woodland Tan. The Retro Fit Lock Shield Bracket (LSB) is available for previously installed GuardShacks. The Bolt on LSB ClamKit is designed for Clamshell models but also works to convert hinged GS-3 or GS-4 to a lift off cage.
