

Underhill Tournament-Ready Plus Pellets - 8 oz. Pellet

RGTRPLPEL

Details

A combination of Tournament-Ready proven formula but with the addition of humic and fulvic acid and micronutrients. Ideal for dry spot in highly maintained turf. These convenient pellets may be used to supplement areas that have poor moisture holding capacity and rooting at a rate of 4-6 minutes for 1000 sq.ft. Provides uniform moisture management without binding in the thatch layer. Usage increases soil moisture without causing "spongy turf" problems. Features multiple benefits of humic and fulvic acids, calcium and iron. Use with applicator gun. 8 oz (227 gm) pellet.
