

J-B Weld Perma-Lock High Strength Threadlocker - Red

RJB27113

Details

J-B Weld Perma-Lock High Strength Red Threadlocker provides a superior lock and seal for threaded fasteners with heating and hand tools required to separate parts. Ideal for all mechanical parts, body assemblies and hundreds of other applications to prevent loosening of fasteners from shock and vibration. Seals the threads against leakage and prevents rust and corrosion. Ideal for rocker arms, stud bolts, frame bolts, fasteners and bushings, loose screws and vibration sensitive items. Use on 1/4" to 1" fasteners. Resistant to 300 degrees F. No spill, drip or clog cap. Red. Made in U.S.A.
