

Reel - 8 Blade Razor Series Radial Low Drag w/Bearings and Seals 22x7

R131-6805

Details

R&R Razor Reels are manufactured from a special high alloy steel and then hardened to RC48-51 to match the temper of our Razor bedknives and original equipment premium series bedknives. All R&R Reels are cylindrically ground on bearing surfaces, relief ground and precision computer balanced for extended bearing and reel life. R&R Products Reels are guaranteed against defects in material and workmanship for the life of the reel under normal use. You can expect up to double the life from Razor reels over standard reels. Special high alloy premium steel reel blades & use only with alum endplates
