

Newstripe Newrider Airless Riding Field Line Striper

RNS1700HPA

Details

Produce the brightest, straightest lines available on natural or artificial turf with healthier and brighter lines. The NewRider 1700 features a 10.5 hp Briggs & Stratton engine, airless 0-300 PSI pump, adjustable pressure dial, electric start with choke on the console, foot pedals for spray, forward, reverse and speed. The floating, front swivel caster allows for more consistent 2" to 6" line width on rough terrain. On-board 25 gallon poly tank cleans gun and hose in the field. Features quick release spray gun for stencils, small curves and hard to reach areas with 25' hose. 800 lbs. 36 month warranty. Made in U.S.A. 25 Gal.
