

Golf Ball Washer Protector, 1 gal

RP2075

Details

Golf balls sparkle and water stays odor free with natural enzymes. Simply fill clean ball washer with 1 oz. Ball Washer Protector per gallon of water. Then top off with additional Protector as needed. Weekly draining and cleaning eliminated. Water stays clean while enzymes safely breakdown odor and organic contaminants naturally. Provides maximum ball washer performance. Safe for rubber, plastic and metal. Non-toxic. Biodegradable.
