

Snake Proof Chaps - 33-36 Husky

RP2912

Details

Feel secure from poisonous snake bites with hip-to-ankle protection. The highly puncture-proof 1000 Denier DuPont Cordura is so tough, these chaps are guaranteed to be snake proof. The water-resistant polyurethane coating makes them extremely effective for wading through briar patches that would normally rip your legs to shreds. Heavy duty 14" non-corrosive zippers provide ease of pulling on or off over boots. Adjustable side straps simplify inseam adjustment. Reg. thigh 25", Husky thigh 28". Brown.
