

Spyker Power Seeder

RSPS120-4510

Details

A commercial grade power seeder, vertical slicer and dethatcher all in one. Powered by a 270cc Honda GX270 gas-powered engine with recoil for peak performance. Forward and reverse handgrips engage the hydrostatic transmission allowing ground speed adjustment without decreasing power to the blades. Features include positive lock height adjustment, 20" spreading width, parking brake, trailering hooks and left or right hand blade engagement handle. 45 lb. Poly hopper. Powdered coated frame.
