

Swepco 113 Moly #00 Fluid Grease - 35 lb Pail RSW113-35

Details

A versatile #00 semi-fluid grease with the added protection of Molybdenum Disulfide to reduce friction and heat. Features excellent extreme pressure performance, anti-oxidation characteristics, rust and corrosion control, chemical and thermal stability and water resistance. Clings and penetrates to reduce wear. Excellent cold temperature pumpability. Use where leaky gear boxes can no longer hold gear oil. NLGI #00 Semi-fluid.

- Excellent extreme pressure performance
- Semi-fluid grease
- Added protection of Molybdenum Disulfide
- Anti-oxidation characteristics
- Rust and corrosion control
- Chemical and thermal stability
- Water resistance
- Clings and penetrates to reduce wear
- Use where leaky gear boxes and no longer hold gear oil
- NLGI #00
