

Evaporative Cooling Ranger Hat

RTN6591

Details

Protect against the dangers of heat stress for 5-10 hours with an evaporative cooling Ranger Hat. Simply soak in water for 1 to 2 minutes then twist. No cooling or ice packs needed. Designed with a comfortable, breathable 100% cotton outer with HyperKewl fabric inner and water repellent liner. The fabric absorbs water to provide a cooling sensation through evaporation. Adjustable chin strap. Khaki.

- Combined cooling relief and protection from the sun
- 5-10 hours of cooling
- Quilted cotton outer with HyperKewl fabric liner and water repellent nylon inner
- Soak in water 1-2 minutes to activate
- Adjust with convenient strap clincher
- Lightweight, durable, comfortable fit
