

Hexagon Enclosure use w/Tripod

RP106017

Details

Add distinction to your course with the R&R hexagon-shape cooler housing with solid wall, engraved slat-look design. Sturdy recycled plastic lumber construction with stainless steel frame and screws is designed to last for years, maintenance free. Optional sliding Lexan door protects cooler spigot from reclaimed water. Lockable rear door access. Lock included. Tripod and cooler sold separately. Available in Green, Driftwood or Black.
