

10 Gallon Round Divot Mix Container

RP106060

Details

Maintenance-free, weatherproof round divot container made of recycled 1/2" x 2-1/2" plastic slats with stainless steel frame and stainless steel rivets to prevent rust. A solid recycled plastic lid with handle makes easy removal and replacement. Includes 10 gallon Rubbermaid container. Place on ground, or choose stainless steel spike base or round aluminum portable base. Mounting pipe adapter kit required when using optional bases or when pole mounting. Available in Green, Driftwood, Brown or Black.

- Maintenance-free recycled plastic lumber
- Stainless steel frame and rivets
- Recycled plastic lid
- 10 gallon Rubbermaid container included
- Choose the base that works best for your location
